ALL-COUNTY INFORMATION NOTICE 1-14-83

TO: ALL-COUNTY WELFARE DIRECTORS

SUBJECT: ORDERING REVISED FOOD STAMP APPLICATION FORMS

REFERENCE: ALL-COUNTY LETTER NO. 82-118, DATED NOVEMBER 26, 1982

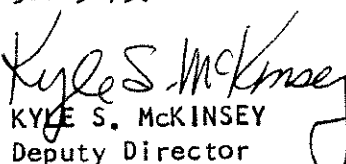

The referenced All-County Letter transmitted revised nonassistance and public assistance food stamp application forms, and instructions for ordering and implementing the forms.

This is to advise you that a two-month supply of these forms (DFA 285-A1, DFA 285-A2, and CA 2FS) will be available in the DSS Warehouse by February 1, 1983. To ensure that all counties receive adequate supplies of the revised forms for March 1, 1983 implementation, the following ordering instructions are provided:

1. Be certain to specify the new form numbers on the County Forms Order, Gen 727B. Orders containing the existing form numbers (DFA 285-A and Temp DFA 285-A) received during February will not be filled with the revised forms (DFA 285-A1, DFA 285-A2, CA 2FS).
2. Limit orders to a two-month supply.
3. Submit orders early in February to allow sufficient time for shipping.

Please note that the initial two-month supply of the DFA 285-A2 and the CA 2FS (English only) will be printed in a different format. Because of paper shortages, the forms will be printed on two sheets of paper, 8-1/2" x 22" with the second sheet folded inside the first. We believe this format will still be workable and apologize for any inconvenience it may cause. Additional supplies of these forms, in the correct format, will be available in the DSS Warehouse in March 1983.

Should you have any questions or any problems in obtaining a supply of these forms, please contact your Food Stamp Program Operations Consultant, (916) 322-5475.
